From The President

Rocking through the Decades with AMTF!

As we slowly return to somewhat normal practices due to the outstanding work of the research scientists and health care workers for managing the response to covid-19, it is with great excitement that I invite you to attend this year's annual business meeting and dinner. The event will be held in Grand Rapids Michigan on Wednesday, June 29th. Bring your bell-bottoms, tight jeans, punky short skirts, or whatever your favorite rock and roll attire is as we go rocking through the decades! We will be celebrating the induction of several new members and as always, enjoying celebration and comradery of all of those who have come before us, as well as our current

members! In addition to celebrating everyone's support and service, we will focus on raising additional scholarship funds to continue to support student scholarships.

Helping students and providing scholarships is why we come together each year. During the annual business meeting we will introduce and recognize AMTF scholarship recipients and raise funds to continue our support for the next year. AMTF's membership donations are used every year to support numerous scholarships to students in undergraduate and graduate programs. This year we are also happy to announce a **new named scholarship**, funded by our dedicated member, **John Smith**. We are grateful for his contribution!

Remember, it does not matter if you donate five dollars or five hundred, it all goes towards student scholarships. In addition, when you attend the dinner this year we will have entertainment from a professional group of Dueling Pianos. Come and rock through the ages as they duel it out to help us support raising funds for scholarships. See you all in Grand Rapids!
