Requirements for Personal Statement/Essay

Applicants need to answer both questions for their application level. Please limit your essay to 500 words max for individual questions or combine them into a single 1,000-word response.

BOTH Undergraduate & Graduate Students

- What are your plans after completing your degree/certificate? What are your career goals?
- If there is a gap between expenses and sources of "income support" please provide a few sentences on your plan to pay for school for the coming year.

Undergraduate Students ONLY

- What or who inspired you to pursue the career path in Medical Laboratory Science?

Graduate Students ONLY

- Describe your role in leadership in ASCLS and/or your workplace.
